Addiction Treatment in Louisville

Detox & Residential Treatment

Manage withdrawal safely and begin healing in a structured, 24/7 supportive environment.

[Learn More](#)

Medication-Assisted Treatment (MAT)

Used when clinically appropriate, MAT includes Subutex, Suboxone, or Vivitrol to support long-term recovery.

[Learn More](#)

Outpatient & Therapy Services

Ongoing support through individual, group, family, and trauma therapy—including CBT, SMART Recovery, and more.

Addiction Treatment That Works with Medicaid

Cost shouldn't keep you from getting the care you deserve. We accept all Medicaid plans and can help you understand your options. Our team will walk you through what's covered, what to expect, and how to get started.

Additional comforts that support your healing experience include:

• **Nicotine-friendly accommodations:** We provide designated spaces for nicotine use, respecting personal routines while supporting recovery.

• **Welcoming visitation policy:** Loved ones are encouraged to visit, helping you stay connected to the people who matter most.

• **Bring your own snacks:** Clients are welcome to bring personal snacks and drinks to create a sense of comfort and familiarity.

• **Around-the-clock access to care:** Admissions and transportation are available 24/7, 365 days a year, because support should never have to wait.
