## Treatment Programs

At Hickory Grove Recovery, we offer a continuum of care tailored to meet each person where they are in their recovery journey. From medical detox to residential treatment, our evidence-based programs are designed to support healing at every stage. Our team is here to walk beside you with compassion, expertise, and unwavering support.

### Amenities that set us apart include:

#### We are a nicotine-friendly center

Designated areas are available for clients who use nicotine.

#### Visitation is allowed

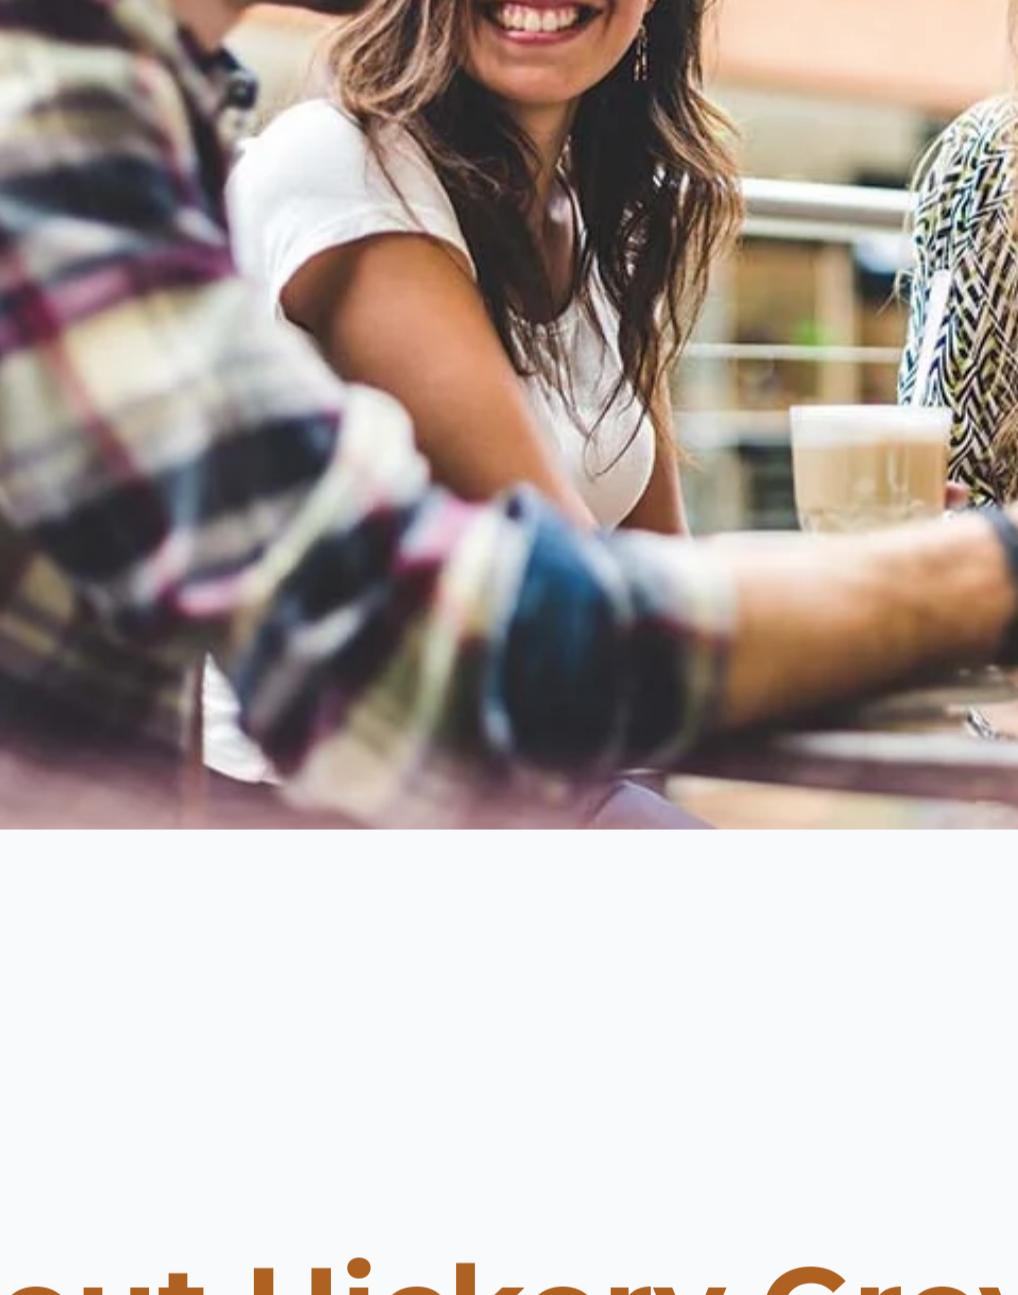

Clients can stay connected with loved ones throughout their recovery.

#### Clients may bring snacks and drinks

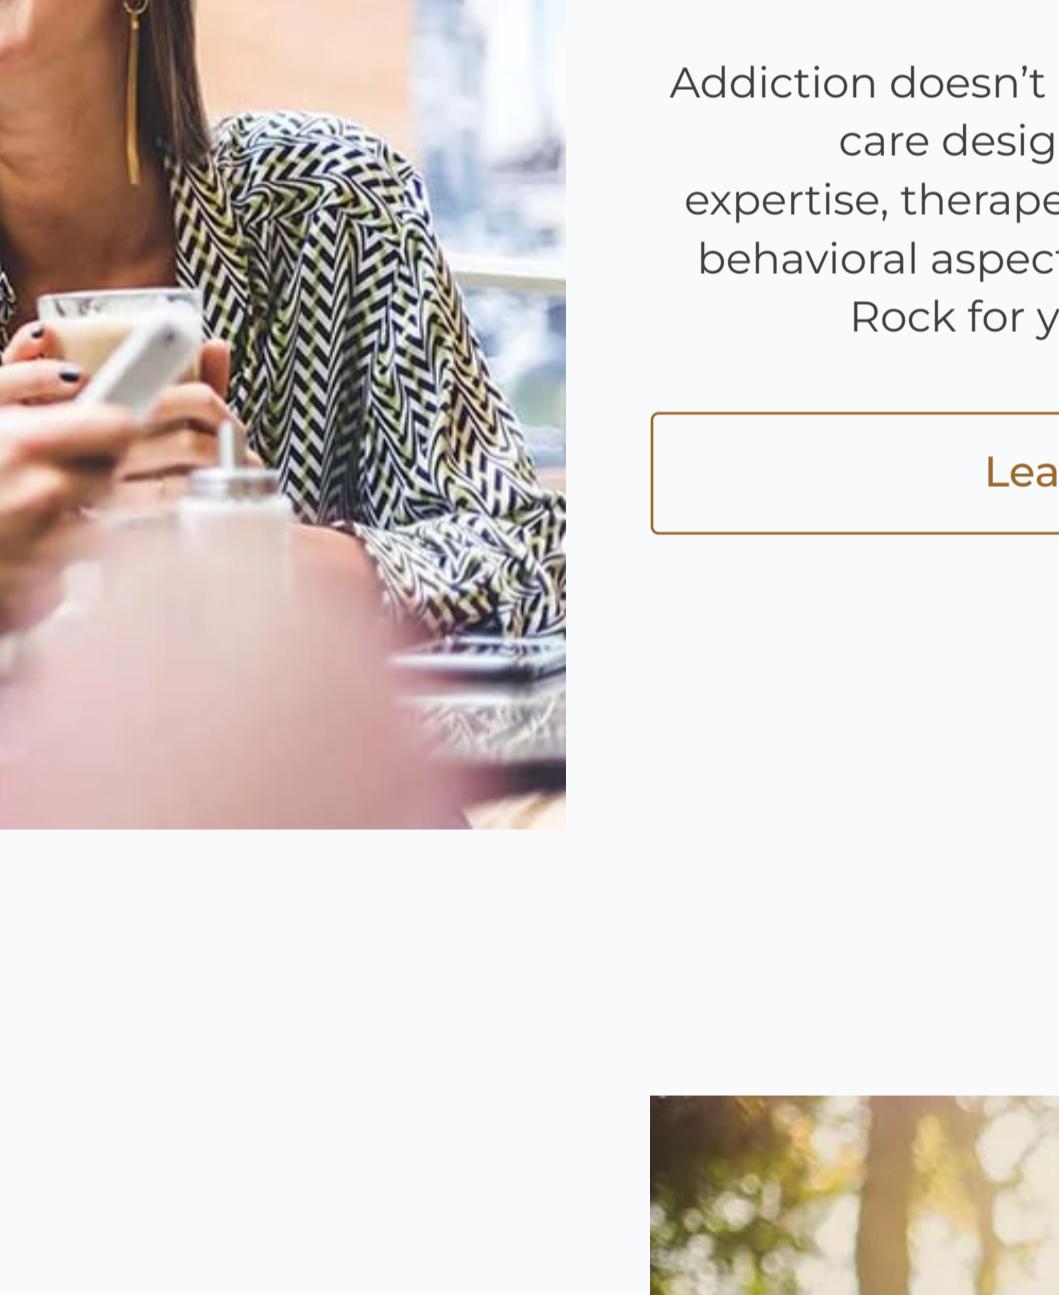

Personal food and beverages are welcome to enhance comfort during treatment.

#### Admissions and transportation are available 24/7, 365 days a year

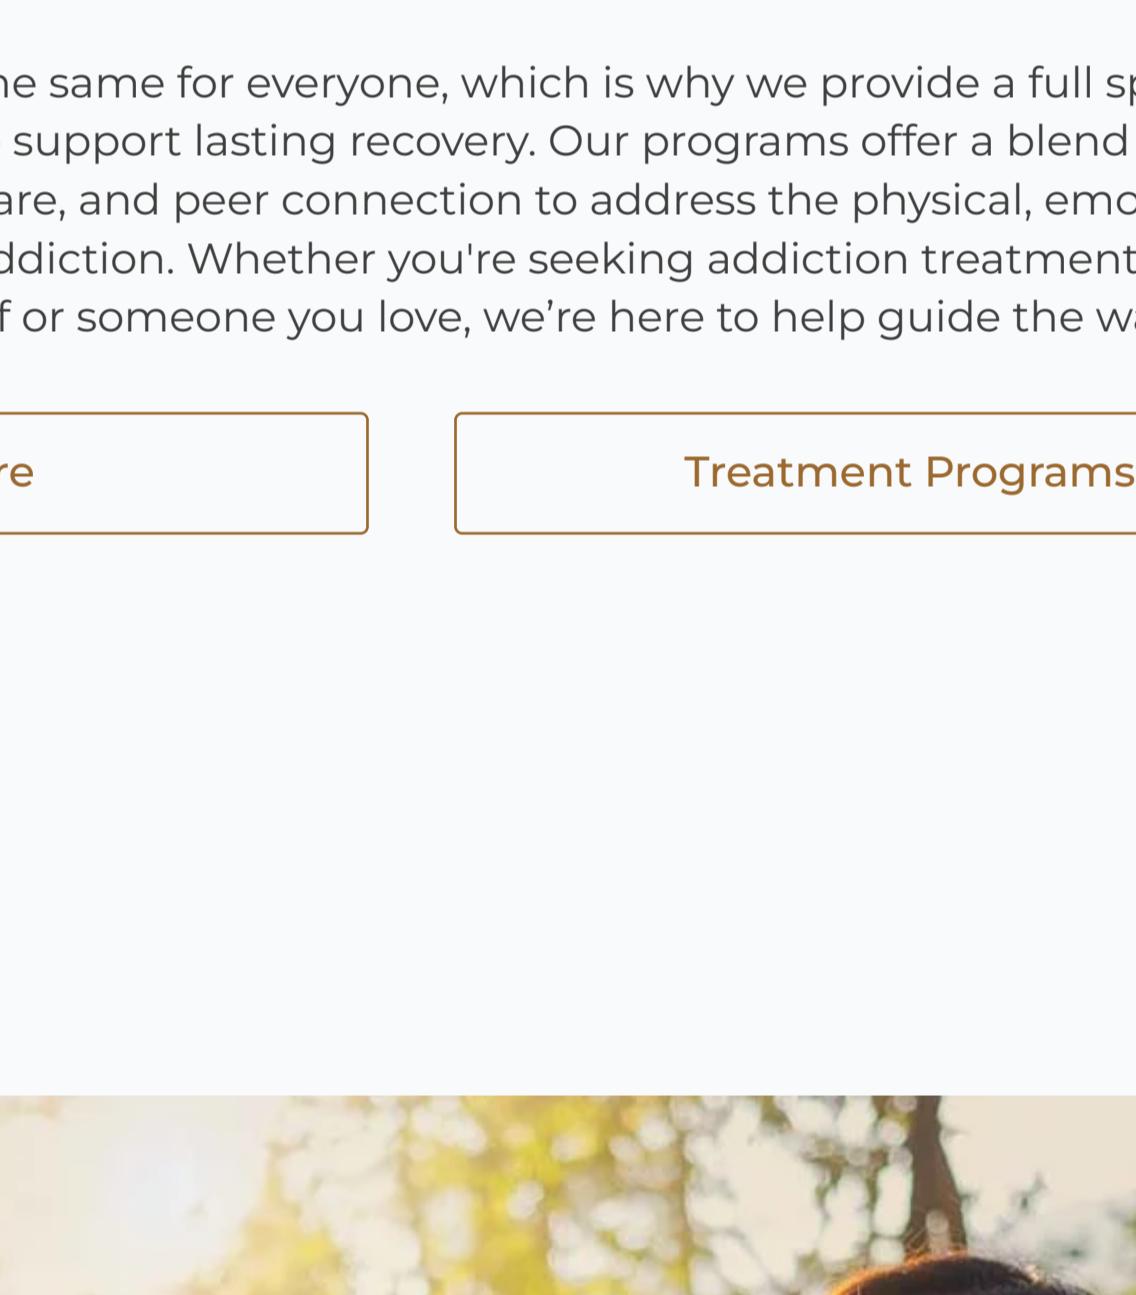

Support is always just a phone call away, no matter the time or day.
