WORK EXPERIENCE

Unlock Health (Acquired Dreamscape January 2024)

Senior Graphic Designer

January 2024-July 2025

- Mid-level management over one person with 1:1 meetings
- Assigned tasks amongst the team of entry level designers
- Managed my own list of about 15 clients and worked collaboratively with other teams inside the Performance Marketing Team and Account Managers
- Face to face client calls when clients signed on as well as whenever the client needed to have a designer in a call.
- Per Client Monthly meetings with other members of teams assigned to that client to discuss strategy and needs requested
- Managed award submissions
- Created and designed a variety of projects that were tasked to my workload through Zoho Project Task Manager and Google Sheets by myself and Account Managers
 - Mostly Websites and infographics, and on the rare occasion logos and other branding
