About Painted Grove Recovery

We believe recovery should be effective and within reach—especially for those relying on Medicaid. That's why we proudly accept Kentucky Medicaid, removing financial barriers to ensure more people can receive the care they deserve.

Our programs support adults facing substance use and mental health challenges, offering care through medical detox, residential treatment, and MAT. Our Louisville addiction rehab center offers trauma-informed care rooted in evidence—because your healing matters to us. We offer added amenities designed to enhance comfort and support throughout your stay:

- **Designated nicotine-use areas:** A nicotine-friendly environment that respects individual routines while supporting your recovery.
- **Open visitation policy:** Loved ones are welcome to visit, helping you stay grounded and connected throughout treatment.
- **Comforts from home encouraged:** Clients may bring personal snacks and drinks to create a sense of familiarity and ease.
- **24/7 access to care and transportation:** Admissions and transportation are available around the clock, every day of the year, because healing shouldn't have to wait.
