### Treatment Programs Built Around You

We offer evidence-based addiction treatment in Colorado Springs that addresses the full scope of your experience. As a Medicaid-accepting recovery center, we're committed to removing financial barriers so you can get the care you need, when you need it. Whether you're beginning with detox or continuing through residential care, our team provides the structure, tools, and support you need to move forward.

#### Medical Detox

Medically supervised detox helps with safe withdrawal management, laying the foundation for focused, long-term recovery.

[Learn More](#)

#### Inpatient Treatment

Our focused residential program offers 24/7 support, therapeutic care, and a calm setting to help you stabilize and rebuild.

[Learn More](#)

#### Co-Occurring Disorders Treatment

Our integrated approach treats substance use alongside co-occurring conditions like anxiety and PTSD, creating space for whole-person healing.

### Therapy Programs That Support Long-Term Healing

We believe therapy is where deep healing begins. Our clinical team uses a range of evidence-based and holistic therapies to help you process the past, build healthy coping strategies, and strengthen emotional resilience. From trauma therapy to life skills education, every session is designed to support growth and long-term recovery.

### About Spring Grove Recovery

#### Individualized Care

No two journeys are alike. We tailor treatment plans to your needs, strengths, and goals—with a focus on supporting you through every step of recovery.

#### Whole-Person Focus

Our programs support physical, emotional, and behavioral health together—because healing is never one-dimensional.

#### A Place of Belonging

We create a respectful, inclusive environment where every person is welcomed and valued:

- ✓ We accept Medicaid to make high-quality addiction treatment more accessible to individuals and families across Colorado.
- ✓ Our center is nicotine-friendly, with designated areas to support client comfort throughout treatment.
- ✓ Visitation is welcome, allowing clients to maintain meaningful connections with loved ones during their stay.
- ✓ Clients may bring their own snacks and drinks to add a sense of familiarity and comfort to the recovery environment.
- ✓ We offer 24/7 admissions and transportation, 365 days a year, so care is always available whenever you're ready to begin.
